FROM FIRST CALL TO LASTING PARTNERSHIP

FREE DISCOVERY CALL

A 30-minute confidential conversation where we understand your business, current tax position, and challenges. No jargon, no sales pitch — just honest advice on whether we can help.

DIAGNOSTIC ASSESSMENT

We perform a thorough review of your financial records, tax filings, intercompany arrangements, and compliance history. This reveals risks, opportunities, and potential tax savings.

STRATEGY & PROPOSAL

Based on our findings, we present a clear, actionable strategy with projected outcomes, timelines, and transparent pricing. You'll know exactly what we'll do, how long it takes, and what it costs.

IMPLEMENTATION

Our team executes the agreed strategy — whether that's restructuring, filing, registration, or dispute resolution. You receive weekly progress updates and a dedicated point of contact.

ONGOING PARTNERSHIP

Tax doesn't stop after the project ends. We provide ongoing advisory, proactive regulatory alerts, quarterly reviews, and compliance monitoring — becoming a true extension of your team.
