OUR BUSINESS ADVISORY SERVICES

COMPANY FORMATION

End-to-end company setup in Bahrain — entity selection, CR registration with Sijilat, licensing, and regulatory approvals for all business types.

FEASIBILITY STUDIES

Comprehensive market feasibility analysis including financial projections, risk assessment, competitive landscape, and ROI modeling for Bahrain and GCC markets.

MARKET ENTRY STRATEGY

Tailored market entry planning for foreign investors — regulatory navigation, partner identification, local sponsorship, and free zone vs. mainland analysis.

OPERATIONAL EXCELLENCE

Process optimization, cost reduction strategies, supply chain analysis, and KPI framework design to maximize operational efficiency and profitability.

GROWTH & SCALING

Strategic growth planning including market expansion, product diversification, M&A advisory, and capital raising support for businesses ready to scale.

RISK & GOVERNANCE

Enterprise risk management frameworks, corporate governance advisory, internal control systems, and board-level reporting structures for compliance-ready operations.

BUSINESS RESTRUCTURING

Organizational restructuring, turnaround strategy, debt restructuring, and operational realignment for businesses navigating challenging periods.

JOINT VENTURES & PARTNERSHIPS

Strategic partner identification, JV structuring, shareholder agreement advisory, and governance frameworks for successful business collaborations.

FINANCIAL ADVISORY

Business valuation, financial modeling, cash flow optimization, budgeting and forecasting, and investment appraisal for informed decision-making.
